# Message from the President

## PATRICK G. CRIBBIN

While the April 1st deadline fades into the past, our leaders in Albany are not even close to reaching an agreement on a proposed state budget. Rest assured that I am monitoring their daily

progress and aggressively working with our legal counsel and lobbyists in Albany to ensure that the Governor and legislators do not initiate actions that would be in violation of our contractual agreement. Through a true team effort, we did receive our salary increase as scheduled. I am pleased to report, as I did in our last newsletter, that to date we have been able to protect our members' wages and benefits. Once again, I commend our members for continuing to provide the Nassau County court system and citizens with the highest level of professional services, which contribute to the safe and efficient operation of the courts and a safe environment for citizens. Be assured that my number one priority is to ensure that our

membership continues to be fairly compensated for the professional services and personal dedication we provide every day.

Congratulations to Sharon Levy and Donald Vetter, our March and April Members of the Month, respectively. Both demonstrate the exemplary professionalism that best represents the members of our Association.

Thank you for your ongoing support. I will continue to work tirelessly on behalf of the Association and the good and welfare of our membership. Please continue to take an active role in our Association by staying involved and informed by attending our General Membership meetings. Working together is the way in which our Association will remain strong.

Faternally,

Patrick G. Cribbin
